

Morgan County Family Connection FY2013 Annual Plan at a Glimpse

Our Vision

Morgan County Family Connection envisions a community where the stability of families and the health, safety and literacy of children are valued; and where community partnerships are restoring hope by embracing a balance of prevention, intervention, and advocacy.

Our Mission

Morgan County Family Connection will be the catalyst for expanding the citizens' awareness of the needs of Morgan County Children and families; and for encouraging community partnerships to address these needs

Our Goal

All families in Morgan County will be strong and self-sufficient and all children will be healthy, ready for and succeeding in school.

BENCHMARKS

Increase the number of children who graduate on time from high school

Reduce the percentage of students who are absent 15 or more days from school annually

Increase the percentage of youth who do not use alcohol, tobacco, or other drugs

Reduce the incidence of substantiated child abuse and neglect

Increase the number of pregnant and teen parents who graduate from high school

Decrease the number of youth who become pregnant and/or contract a sexual transmitted disease
